Leasing, LLC, 5840 Rivers Avenue, Suite 102,) TIME FOR
North Charleston, South Carolina 29405) INVESTIGATION
(Mailing Address: Post Office Box 63523,)
North Charleston, South Carolina 29419))
(District 6) for a Class C Certificate of Public)
Convenience and Necessity.)

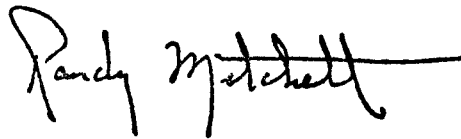

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Office of Regulatory Staff (ORS) to this Commission to postpone action on the Application of Charleston Transportation Leasing LLC for a Class C Certificate of Public Convenience and Necessity. ORS states that, after reviewing the Application, it has determined that there are additional questions which should be addressed before this matter is decided by the Commission. ORS states its belief that postponing action on this Application to allow ORS an opportunity to investigate this Application would be in the public interest. Therefore, ORS requests that this Commission hold this Docket over until such time as ORS can adequately investigate this matter, not to exceed 21 days.

We have examined this matter, and agree that holding it over for a brief time so that ORS can investigate is in the public interest. Accordingly, ORS has until September 22, 2005, to investigate this Application. The Office of Regulatory Staff should complete

its investigation and make a recommendation concerning disposition of this matter as soon as possible, but no later than September 22, 2005.

This Order shall remain in full force and effect until further Order of the Commission.
